Who'll Be The Next?

ANOTHER YOUNG COUPLE SURPRISE THEIR FRIENDS

Elopements seem to be all the rage in Lincoln and the adjoining county just at present, and so many have taken place lately, that the first question asked in the community is "Well, who got married last night?"

The latest couple to tender to the little god of love were Adam Pence and Miss Elizabeth Baughman, who slipped away to the residence of Rev. J. J. Dickey Tuesday night where the words were said which united them heart and hand.

Mr. Pence is a son of E. T. Pence and is one of the best known young farmers in the county and liked by everyone. His bride is the fourth daughter of Mr. and Mrs. M. S. Baughman, and is very attractive and popular. Both had kept the news of their intentions very quiet and it came as a surprise to everyone. They will make their home for the present at Mr. Pence's farm on the cut-off pike to Crab Orchard.

NOTICE

I take this means of notifying my friends and customers that the Vacuum Cleaning Wagon will not be in Stanford this fall. Will ask you not to forget me in the early spring, of which notice will be given through this paper; any orders given to Dr. T. W. Pennington will be greatly appreciated by Yours truly,

E. L. OGDEN, Mgr
Vacuum Cleaning Wagon

Mr. Otto Paul Milwaukee, Wis., says Foley's Honey and Tar is still more than the best. He writes us, "All those that thought it think it is still more than the best. Our baby has a bad cold and it cured him in one day. Please accept thanks."

TO SUBSCRIBERS

The Interior Journal's Tuesday issue will come out next Wednesday morning, so as to contain all the election returns. Watch for it. It will tell just how it all happened.

Raised A Check

RUSSELL COUNTY YOUNG MAN IN BAD—LIVE CASEY NEWS

Middleburg, Nov. 3rd. Magistrates' court here last Wednesday brought quite a crowd to town. Elmer Weaver of London, and Miss Monte Cravens, the handsome daughter of Mr. Jerry Cravens of the Doe Creek section, were married on the 26th. The writer officiated and it goes without saying that the job was done up in the most approved style. J. W. Vollos, a youth of Russell county, raised the amount of a check given him by McDowell, Fogle and presented it to W. P. Koenig and got the money on it. The young man may be taught a lesson from it that will be lasting.

It was our pleasure Sunday to hear Rev. W. S. Taylor, of Burgin, who is holding a meeting for Rev. J. L. Adkins, at Liberty Baptist church. Rev. Taylor is quite an able and forceful preacher. Besides seems to be quite an earnest man. His sermon Sunday was the best we have listened to for years, and his audience seemed to appreciate it greatly.

John Hamilton and Frank Cain escaped from the officers here on the 26th, after they had been fined \$50 and \$20 respectively, for disturbing religious services at Grove Baptist church. They took advantage of a crowded court room and slipped out not being noticed.

It is reported that they took the train Thursday at Waynesburg for parts unknown.

W. S. McWhorter and J. W. C. Bryant attended the Sunday school union at Valley Oak Sunday. J. C. Fogle and the writer went to Liberty Sunday to hear Rev. W. S. Taylor at the Baptist church. Miss Nora Coffey of Phil was here to see her father J. K. Coffey.

J. C. Fogle has the foundation for his cottage on Liberty street down and has contracted with Topcoat & Co., to do the carpenters work. It will be ready for occupancy about Dec 1. Mr. Fogle will then move here and his son McDowell will occupy his residence on the farm.

Mr. E. L. Jones our telephone operator tells us that he is permitted to listen to some quite amusing conversations over the wires. Frank is of a jolly disposition and enjoys a thing of that kind.

The trustees of the graded school here have decided to call an election on the question of issuing bonds for the purpose of paying for the school property. The proposition failed when it was submitted two years ago but the trustees think the opposition has subsided sufficiently that the question would carry now.

Last night was Halloween and the boys were out doing foolish things as usual.

The children of the Baptist Sunday school have set about to get up a nice box of provisions for the Baptist Orphans Home at Louisville for Thanksgiving. This is a step in the right direction and the children should be encouraged. A Sunday school that does no more than what went on Sunday morning and go over the lesson is not an ideal one by any means.

Miss Irene Lyons who is in school at Junction City was here with her parents over Sunday.

Hon. Fontaine Fox Bobbitt, of Crab Orchard who is rightly styled the "Cicero of the Mountains," was here on a legal business on Monday and Tuesday.

Our little town is putting on airs or rather on a slight boom. New sidewalks both concrete and gravel are being laid. A new street is being graded alongside of the railroad from depot to top of hill near railroad bridge. Mr. R. H. Ham the merchant is putting considerable improvements on his dwelling which adds greatly to its looks. A. E. Albright has just completed some nice wire fencing around some of his property. The dimension mill is running steady time.

Hugh Miller republican candidate for Congress spoke here last Tuesday night.

Goat Ranch

TO BE ESTABLISHED AT OTTENHEIM BY FATHER LEO

Messrs. Joseph Hensen and Charles Truh, Jr., of Ottenheim, were in the city Tuesday and paid a pleasant call to the I. J. office. They report that business is flourishing in their little burg. The latest business enterprise is a goat farm, which Rev. Father Leo plans to develop, having recently bought a nice herd of goats as a foundation.

BOTH SPEEDY AND EFFECTIVE

This indicates the action of Foley's Kidney Pills as S. Parsons, Battle Creek, Mich., illustrates: "I have been afflicted with a severe case of kidney and bladder trouble for which I found no relief until I used Foley's Kidney Pills. These cured me entirely of all my ailments. I was troubled with backache and severe shooting pains with annoying urinary irregularities. The steady use of Foley's Kidney Pills rid me entirely of all my former troubles. They have my highest recommendation. Shugars and Tanner.

WOODS ON CRAB ORCHARD

Ex-Mayor Clarence Woods is back again from a month's stay at Crab Orchard. He says he can hardly remain away from the place, so pleasant is everything and such a fine host and hostess are Capt. Willis and his estimable wife. He is of the opinion that the heavy drinkers are growing better or else fast disappearing, as the Keely department at the springs is not loaded with patients as is usually the case at this time of the year. From what he has seen, he says the Keely cure is the greatest thing of the age, and a monument should be placed in the Hall of Fame to its founder—Richmond Climax.

Burglars Busy

NERVY GANG BELIEVED TO HAVE BEEN AT WORK THIS WEEK

(Danville Advocate)

This section was visited by cold burglars last night. Their operations extended from Eubank in Pulaski county to Hearty avenue in Danville. James Lee at Eubank was entered and early in the night the residence of robbed of \$500. Mr. Lee did not miss the coin until he arose this morning and observed that his residence had been broken into.

The next heard of the burglars was at Moreland, where the postoffice was entered and robbed of \$90 and a lot of stamps. An attempt was made to enter the store of George Huns at Shelby City. Falling in this, the burglars proceeded to the home of Mr. Alex Surber. Mr. and Mrs. Surber never realized until this morning that their residence had been burglarized although the bold thieves entered their bed room and stole Mr. Surber's suit of clothes. A report reached town this morning that the burglars were shot at in the vicinity of Junction City. The burglars came on to Danville and it is thought that they boarded a train here.

The postoffice at Moreland is in T. A. King's store and entrance was gained through a window.

There were either two bands of burglars or those who were operating in motorcycles and in an automobile. Laid's bloodhounds were put on the trail at the Moreland postoffice and trailed to Hearty avenue, Danville, where, it is thought, the burglars boarded a freight train.

A HALLOWEEN PARTY

One of the prettiest social events of the season was the Halloween party given by the Misses Back at their beautiful home on the Bradfordsville pike near Hustonville. The hospitable home was beautifully decorated with jack-o'-lanterns, candles and autumn flowers and the doors were thrown open to the youngsters seeking Halloween fun.

Many interesting games were played and excellent music was enjoyed by all. When the time arrived for us to take our departure, the 46 guests joined in assuring the hostesses how much they had enjoyed the evening. Everyone felt that it was good to have been there. One Who Was Present

Millersburg suffered a \$200,000 fire Tuesday night, a spark from a passing freight train starting the blaze. Most of the damage was done to business houses though several residences were badly damaged.

POLITICAL ANNOUNCEMENTS

For Circuit Judge

The Interior Journal is authorized to announce Charles A. Hardin as a candidate for Circuit Judge of the Thirteenth Judicial district, at the election to be held November, 1911, subject to the action of the Demo-

Whoopee! It's mighty hard to keep the cats in the bag always; they will get out sometimes. Listen to this: The Danville Advocate announces that former Representative E. W. Lillard, of Boyle has been appointed private secretary to United States Senator William O. Bradley. Lillard, it will be recalled, was elected as a democrat but betrayed his party and made possible the election of Bradley, the republican nominee. The secretaryship to the senator is worth about \$2,500 to \$3,000 a year with perquisites, which for, say three or four years, will make a pretty fat "reward" for Lillard's most conspicuous treach— we meant devotion to Bradley's cause.

In order that it may be able to give its readers the results from the elections in this and other states on time, the Tuesday issue of the Interior Journal next week will not be published until Wednesday morning. Country readers who are in town Wednesday are invited to come to the office and get their papers, for the rural routes will not carry them out until Thursday morning.

The Danville Advocate says that "Friends of Mrs. R. T. Lowndes have received handsomely engraved announcements of the death of Princess Sonia, her fine show mare which died a few weeks ago."

The announcement is rather incomplete in that the name of the officiating clergyman and the pall bearers were omitted.

The last word—stick one in for Helm on Tuesday. It looks like a democratic landslide all over the country.

The Fountain Head of Life Is The Stomach

A man who has a weak and impaired stomach and who does not properly digest his food will soon find that his blood has become weak and impoverished, and that his whole body is improperly and insufficiently nourished.

DR. PIERCE'S GOLDEN MEDICAL DISCOVERY makes the stomach strong, promotes the flow of digestive juices, restores the lost appetite, makes assimilation perfect, invigorates the liver and purifies and enriches the blood. It is the great blood-maker, flesh-builder and restorative nerve tonic. It makes men strong in body, active in mind and cool in judgment.

This "Discovery" is a pure, glyceric extract of American medical roots, absolutely free from alcohol and all injurious, habit-forming drugs. All its ingredients are printed on its wrappers. It has no relationship with secret nostrums. Its every ingredient is endorsed by the leaders in all the schools of medicine. Don't accept a secret nostrum as a substitute for this time-proven remedy of known composition. Ask your neighbors. They must know of many cures made by it during past 40 years, right in your own neighborhood. World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

Sample Helps Frail Women

So many women are dragging out weary lives just because their digestive organs are weak. The result is poor circulation, nervousness and the verge of invalidism. It is often very unnecessary and the woman's own fault.

The first thing to do is to look to the welfare of your bowels. There the trouble usually lies. All physicians know that a large percentage of women are habitually constipated, and from this result indigestion, piles, weakness, etc., that women constantly complain of. But there is no use taking "female remedies" and things of that kind until you have started your bowels moving. You will find that when the bowels move regularly once or twice a day all your petty ills will disappear. Take a good, mild laxative tonic like Dr. Caldwell's Syrup Pepsin for awhile and you will find yourself rapidly getting better and stronger, your bowels will regulate themselves and work at stated times, and then your headaches and dizziness will disappear. Don't take strong cathartic pills or salts, but just such a mild and pleasant-tasting remedy as Dr. Caldwell's Syrup Pepsin.

You can obtain a bottle of your druggist for fifty cents or one dollar, and either size may be enough to permanently cure you. Thousands of women keep it regularly in the house and will no longer be without it, as it cures them and can be used with safety by every member of the family, down to the youngest child, but if you have never used it take the advice of Mrs. Earl S. Cox, 409 Twenty-fifth street, Moline, Ill., and Mrs. Ellen Dungan, Muncie, Ind., and send to Dr. Caldwell for a free trial bottle, as they did, and learn for yourself what it will do in your own case. That it will cure you, as it did them, there is no doubt.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. Explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, E. 500 Caldwell building, Monticello, Ill.

THE LAST SUPPER

Sunday School Lesson for Nov. 6, 1910
Specially Arranged for This Paper

Lesson Text—Matthew 26:17-30. Memory verses 26:28.
Golden Text—"This is my body which is given for you; this do in remembrance of me"—Luke 22:19.
Time—Thursday evening, April 6, A. D. 33.
Place—An upper room in Jerusalem.

This lesson is full of dramatic incidents. A harmony is necessary to understand the scenes in full.

The first great day of the Passover, which lasted a week, began at sunset on the evening after the 14th of April, which by the Jewish reckoning was the beginning of the 15th when the regular Passover supper was eaten. The disciples came to Jesus, some time on Thursday, saying, "Where wilt thou that we prepare for thee to eat the passover?" "A room was needed, with tables surrounded by couches, for the Passover must be eaten reclining, since it was a canon that even the poorest must partake of that supper in a reclining attitude, to indicate rest, safety and liberty."

Then there must be obtained unleavened bread, bitter herbs, wine, and a paschal lamb, which must be slain in the temple between three and five o'clock, and cooked in a private home. Jesus and his disciples probably left Bethany late Thursday afternoon, walked two or three miles, and reached the upper room soon after sunset.

The strife probably began when the disciples were assembling in the upper room, and were about to take their places at the table. Even in this most solemn hour, more solemn than they realized, there arose a contention among the disciples as to who should be the greatest, probably with reference to the places of honor and nearness to Jesus, with an outlook toward the highest places in the new kingdom which was soon to begin. Also because no one was willing to take upon himself the servile duty of washing the travel-stained feet of the company.

There was doubtless a mingling of good and evil motives in the disciples.

At length all were reclining at the tables and the Passover supper was begun. Jesus wisely waited till time had been given for the excitement to be quieted, and the disciples to come to a better frame of mind. Then by a symbolic action he taught them a lesson which has been needed all down the ages. He who had all power, who came forth from God, and was going to God, arose from the supper, poured water into a basin, and washed his disciples' feet, including the feet of Judas, into whose heart the devil had put the plan to betray him.

And as they were eating the Passover meal Jesus used the same bread and wine that was upon the Passover table and taught the Passover truths. The rites of the new kingdom of heaven expressed for the spiritual life the deliverance from the slavery of sin, the redemption through blood, the promise of allegiance to the Lord, the hope of the promised land, which was enacted in actual life by the saving of the Israelites from the bondage of Egypt. "The Passover brought together the largest number of individuals to claim and consciously recognize their part in God's redeeming grace and power, and because of its sense of all-embracing victory, millennial gladness, universal salvation, was better fitted to become the distinctive and enduring symbol of redemption, and express the mighty hopes of Jesus as he stood on the threshold of his passion, than any of the sacrifices of the altar."

Jesus took bread, the thin cake of unleavened bread, and blessed it, "Invoked blessings," "consecrated with solemn prayers." Take, eat, make it a part of yourselves. This is my body, symbolizes my body, does for your bodies just what my spiritual life does for your souls.

This is my blood. A type of emblem of his blood, his life, which he laid down as the atonement for sin. Of the new testament, which God was now confirming to men. The new covenant was that God would renew and save all who believed in Jesus. It is the new promise to men, the new Gospel dispensation, in which God has used his perfect wisdom in seeking to save the world from sin. Which is shed for many. Multitudes, not merely a few, are to be saved by Christ. For the remission of sins, including the forgiveness of sin, and the deliverance from the power of sin. Sin is to be put away entirely.

The Supper is a kind of All Saints day. We become one, not only with those around us, but with those who have gone before, to join the heavenly host.

It is a feast of victory. It was the sun triumphing over darkness. The Lord's Supper is a prophecy of Christ's second coming, of the perfect triumph of his kingdom; for we are to celebrate it till he comes. It contains a hope and a promise.

Our last view of Christ in the Gospel is not of death, but of an ever-living Saviour, who once was dead, but now lives for evermore. It shows that we do not worship a dead Christ, but a living Christ, sitting on the right hand of God, leading the hosts of Christendom. It is the morning star that heralds the new day.

It is an invitation to all to come and be saved. It is the church holding up the banner of redemption that all the world may see.

We ought to make the Lord's Supper the most sacred and important service of the church.

IT'S ALWAYS BAD

The Best of Backs Are Bad When They Ache, and Stanford People Know It.

A bad back is always bad. Had at night when bedtime comes. Just as bad in the morning. Ever try Doan's Kidney Pills for it? Know they cure backache—cure every kidney ill?

If you don't some Stanford people do.

Read a case of it. Simon Haines, carpenter, East Main street Stanford, Ky., says: "Some years ago I used Doan's Kidney Pills with good results. In 1900 I met with an accident that brought on a recurrence of kidney complaint. I recovered so that I could work but my back remained very weak. When doing anything that required stooping my back became very lame and painful. Remembering what Doan's Kidney Pills had done for me, previously I procured a box at Shugars and Tanner's Drug Store and they gave me great relief. Doan's Kidney Pills have my highest endorsement."

For sale by all dealers. Price 50c. Foster-Milburn Co., Buffalo, New York, sole agents for United States. Remember the name—Doan's—and take no other.

A HOUSEHOLD MEDICINE

To be really valuable must show equally good results from each member of the family using it. Foley's Honey and Tar does just this. Whether for children or grown persons Foley's Honey and Tar is best and safest for a cold, coughs and colds, Shugars and Tanner.

RESOLUTIONS ADOPTED BY COLORED TEACHERS INSTITUTE

Whereas we, the teachers of Lincoln county, in Institute assembled, have enjoyed the very great privilege afforded us by instruction, and from contact, association and interchange of thought and ideas, and whereas it has been our very great pleasure and privilege to have as our conductor in the person of Mrs. L. H. Sneed, a capable, consecrated and conscientious teacher, therefore be it

Resolved, That we extend to Supt. Singleton our thanks for having secured the services of Mrs. Sneed and extend to her, through him, an open door for future work in this county.

Resolved, That we commend the new school law, but deeply deplore the fact that, through its operations, the Negro boys and girls are deprived of the advantages of any sort of high school work. We, therefore, call upon our representatives in the legislature, in all fairness and sincerity, and ask that at the next session of the legislature they endeavor to have the present law so amended as to place the negro children, residing in the "territory of White graded School districts," under the operation of the new law, and not allow them to remain under the obsolete and antiquated "three trustee system," where, by the decision of the Court of Appeals, they have unfortunately been relegated.

Resolved, That we tender our faithful conductor a vote of thanks for the highly interesting and instructive manner in which this session of the Institute has been held. That, we tender Rev. Jones of the white Baptist church, Rev. Wood, of the Second Baptist church of Danville, a vote of thanks for their able and timely addresses; to Dr. J. G. Carpenter, of this city, we feel deeply grateful for the very valuable and timely talk upon the prevention of diseases and his learned and interesting discourse upon the subject of tuberculosis.

Resolved, That a vote of thanks be tendered Miss Mary L. Cook for the careful and accurate record kept of our proceedings; that we tender our thanks to the officers and members of the First Baptist church for the use of their commodious building; the sexton for his kindly attendance to our comfort and convenience, and to the citizens of Stanford for the interest manifested in our meetings by their regular attendance.

It is said that a southern gentleman is soon to claim one of Lincoln's fairest daughters for his own, and a prominent young farmer of the county is rumored to have won the heart of a handsome young widow in town.

A well known young man of the city is also said to be in line for congratulations upon his marriage to a very pretty and attractive young lady of the county, which rumor says will take place early in the new year. The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and restoring nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
